WHY SHOULD I JOIN?

- ◆ Ready-Right-Now Priority Service. Whether it's routine or emergency service, club members receive the earliest available scheduling.
- ◆ Regular scheduled service reduces the risk of costly breakdowns by finding small problems and fixing them before they become big ones! Also ensures that the labor warranties will be honored if major repairs are needed.
- ◆ Members-only discounts up to 15% of all service work for the duration of your membership (cannot be combined with other offers or discounts).
- ◆ A high percentage of water damage in homes is caused by clogged drains associated with heating and air conditioning systems.
- ◆ An investment in regular scheduled service pays off in:
 - Lower cost of operation
 - Extended system life
 - Improved comfort & reliability
- ◆ Discount consultations while on-site. We will gladly assess any repair needs you have and provide options at no additional charge to you for the duration of your membership (\$40 savings per visit).
- ◆ Your membership can be transferred to your new home (within service area).
